On April 15, 2019, at 10:00 a.m., the Town Ethics Commission met in the Town Hall. The Commission discussed the applicable dates for submission of the annual financial disclosure statements by candidates (April 16), and incumbents and the Town Manager (April 30). The Commission discussed the submission by Councilmember Rubin. The Commission unanimously agreed to inform Mr. Rubin that his submission was timely received but, upon his return from an overseas trip, he will need to submit one corrected page. The corrected page can be submitted by initialing the corrected page and delivering it to the Town Office, or submitting a scan by e-mail to Mr. Lawson.

The Commission discussed the terms of office of the current Commission members and the annual certification deadline, concerning the Town's compliance with the State Ethics Law. Mr. Bolt will compile the annual certification submission for the Commission's review, prior to the deadline of October 1, 2019.

Hearing no objection, Mr. Lawson adjourned the meeting at approximately 10: 31 a.m.

James Lawson, Chair
