On Tuesday, August 18, 2015 at 7 p.m. in the Town Hall, the Town's Revenue Working Group met to discuss Town income tax revenue and methodologies to better predict future income tax receipts.

Working group members reviewed additional information provided by the State Comptroller's office. Discussion followed about anomalies in the data provided by the state; methods to obtain more detailed data from the state; and the Town's future budget process. At the conclusion of the meeting, members asked the Town Manager to prepare a summary of the group's actions and findings to date; to contact the Town attorney to inquire about legal issues in obtaining additional data from the state; and to contact State Senator Rich Madaleno to request assistance in understanding the information provided by the state and requesting more detailed information. Mayor Lang also asked the group members to formulate ideas for a mission-based budget and to develop recommendations for the budget process.

The meeting was adjourned at 7:40 p.m. Members agreed to meet again on September 17 at 7 p.m. in the Town Hall.

Respectfully submitted,

Todd Hoffman  
Town Manager
