

AGENDA
LAND USE COMMITTEE MEETING
October 12, 2009
7:00-9:00 p.m.

Residents are welcome to attend all committee meetings.

1. Public comment period
2. Approval of the minutes from the September meeting
3. Look at Dave Walton's examples of the rear lot line and decide whether the recommendation the old committee made still looks reasonable so we can report back to the council on the 14th about that.
4. Review examples of lots that have unequal side lot lengths to determine if the committee still supports the change in placement of the rear set back line that was recommended last June, 2009. See Attachment.
5. Preliminary discussion of advantages/disadvantages of front yard parking restrictions versus the 35% rule
6. Community handbook about Town's building regulations
