

## **Minutes of the Land Use Committee 9-14-2009**

The meeting was called for 7 p.m. in the Town meeting room. Present were Dedun Ingram (chair), Craig Brooks, Stephanie Brown, Tom Collins, Lees Hartman, Joe Rubin, Joel Rubin (7:30), Deborah Vollmer, and Linna Barnes (Council liaison).

Committee members introduced themselves.

The committee revised its mission statement.

Deborah Vollmer described the building project slated for 7200 44<sup>th</sup> St. and requested that the committee consider several land use issues present in this project.

The committee compiled a list of proposed projects for the coming year.

The committee reviewed a list of "Housekeeping Code Changes" that were presented to the LUC committee in June 2009 but which the committee was unable to review then. The items, compiled by Dave Walton (Town staff) consist of minor corrections of the Chapter 4 code (removal of redundancies, addition of missing words, etc.) and addition of some language to facilitate administration of the code or correct gaps. The committee made determinations for all of the proposed changes that involved minor "fixes." These determinations will be presented to the Town Council at the September 23 work session. The committee postponed decisions on several of the items to a later meeting.

The meeting adjourned at 9:20 pm.
