

## **Public Service Committee ACTION ITEMS:**

### A) Security –

- 1) Need to respond to the request for crime statistics and alternative methods for providing a police presence.
- 2) Need to consider various options for a police presence and the various budget impacts as well as the level of service provided: keeping what we have, eliminating the overnight security patrols, using off-duty MCP officers overnight, hiring 1-2-3 police officers for the Town
- 3) Need to work alternative police presence models, e.g., combining with CCV, and work the other questions of the Council
- 4) Need to review past work on neighborhood watch. Contact neighboring municipalities and get their take NW and summarize as much as you can for Tuesday's PSC meeting.
- 5) Need to prepare for the March Council meeting and the March Town Hall.
- 6) Need to set a meeting with Cmdr Hamill.

### B) Street Lights –

- 1) Summarize John Barnes' discussions with Joe Cutro, and get posted
- 2) Need to identify possible 3<sup>rd</sup> party watts-maintenance vendors to understand our options.
- 3) Use vendors to our advantage – MEE and Scott Watson
- 4) Need to get smarter about what other municipalities are doing.
- 5) Need a summary of the steps we are pursuing over the next 4 weeks

### C) Water Run-Off –

- 1) Post Sue's summary of Phase 2 and Phase 3
- 2) Review Andy-Sue's water run-off engineer's proposal, I have included another copy in Word.
- 3) Need to summarize the results of the meeting with Bill Bissell.

### D) Traffic –

- 1) Summarize results of Cutro walk through of the problem areas of the Town
- 2) Next steps defined
- 3) How are we going to handle speed cameras
- 4) Need to prepare a posting for the Web site and to reach out to Town to discuss what is being and to solicit opinions.
- 5) Susan – can you get thoughts on parking lot cut-through traffic in the evening and over the day, from those that you know will be using LeLand Center Playground?

### E) Parks –

- 1) Establish budget estimates for parks. Initial focus will be in Elm Street.
- 2) Summarize Susan-Anjali meeting; and discuss results of the LUC meeting on potential greenspace.
- 3) Next steps.

### F) Communications --

- 1) Work with the town office to update the Web Site; a little progress, still being worked.
- 2) We need to get the minutes completed for December and January and posted. We need to figure out a formula that makes this easier, I have some thoughts on this, which we will discuss at the meeting.
