CONSULTING ARBORIST PROGRAM

I would like for the Town’s Consulting Arborist to visit my home and make pruning/pest management recommendations.

SPECIFIC CONCERNS TO BE ADDRESSED BY ARBORIST:

AGREEMENT AND RELEASE

The Town of Chevy Chase conducts a “Consulting Arborist” Program pursuant to which the Town authorizes the Town’s contractor, Feather & Associates, to consult with residents and their arborists regarding the health and physical condition of trees within the Town boundaries. This service is provided at no cost to residents. However, in making the Town’s contractor available to residents and paying for the contractor’s services, the Town does not guarantee or accept responsibility for any representations, advice or other information or opinions provided by Feather & Associates. Residents are encouraged to consult with privately retained arborists if they have any questions or doubts regarding information or advice provided by the Town’s contractor.

In consideration for making the Consulting Arborist Program available to the undersigned, the undersigned agrees that he/she has read this document in its entirety, understands and agrees that the Town will not be responsible for the advice of the consulting arborist, and agrees to release, indemnify and hold harmless the Town and all of its officers, employees, contractors, and agents from all suits, actions, damages and costs which may result from the information or advice provided to the resident or the resident’s agents by the consulting arborist.

I HAVE READ THIS DOCUMENT IN ITS ENTIRETY AND UNDERSTAND ITS TERMS.
