

Tree Planting Requests

Each year the Town of Chevy Chase creates a list of all residents who wish to have a tree planted in the Town right-of-way, next to the streets. This list helps aid the Tree Committee in their search for sites for the eighty trees that the Town plants each year. **If you would like to be placed on this list, here is your chance.** These trees help to rejuvenate and maintain the Town's urban forest as older trees die and are removed. With over 1000 street trees, the Town places great value on its tree program. This is evident in the Town's fifth Tree City USA award in as many years.

If you have recently had a street tree removed in front of your house, and would like a replacement tree, or if you would simply like to see a tree planted in front of your house, contact the Town Office to be included in the fall or spring tree plantings. In order to have a planting contract ready in time for the fall planting, please fax, email or send your requests to the Town Office as soon as possible. Thanks!
