## Message from Mayor Mary Flynn

Happy centennial! April 10 marks the 100<sup>th</sup> anniversary of the Town's incorporation, and, as you will see in this edition of the newsletter, we have many exciting events planned for the coming year. This is also budget and election season, and we have been busy planning for the Town's annual meeting and election on May 1. Below is additional information on the Town budget and election, as well as information on the upcoming County and State primaries.

### Town Budget

Detailed information on the Town's proposed budget for fiscal year 2019 has been posted on the Town website, and a budget summary will be included in the election issue of the Forecast, which will be delivered to each residence by April 17. The proposed budget includes funding to continue all the Town's excellent programs and services, while maintaining the real property tax rate at just 1 cent per \$100 of assessed value. We encourage you to review the budget documents and provide comments by mail or email, or at the public hearing during the Town's annual meeting on May 1. All comments will be considered by the Council before it adopts the budget for the next fiscal year.

### Town Election

The Town election and annual meeting will be held on May 1. Town residents will select three candidates in the 2018 election, each to serve for a two-year term. Nominating petitions for those who would like to run as candidates for the Council and have their names appear on the printed ballot are due by 5 p.m. on April 10. Those who would like to run as write-in candidates and be eligible to serve on the Council must file a certificate of candidacy by 5 p.m. on April 24. To be eligible to serve on the Council, both balloted and write-in candidates also must submit financial disclosure forms with their respective candidate filings. The election issue of the Forecast will include statements of the balloted candidates.

A Candidates' Forum will be held on April 25 at 7 p.m. in the Town Hall to allow residents to meet and converse with those running for the Town Council. I hope that all of you will participate in our election and attend our annual meeting on May 1.

### County & State Primaries

59 Democrats and 6 Republicans are running for 10 seats and for governor. That's why it is more important than ever to get out and vote in the primaries. Please use the guides on the Town website to find candidates forums, and plan to vote June 26 at Chevy Chase Elementary School, or vote early at the Jane Lawton Community Center from June 14 to June 21.

## Happy Birthday Town of Chevy Chase!

It's time to celebrate – our Town turns 100 on April 10!

- Watch your mail box this month for a small memento with our centennial logo to mark this historic event.
- Look for *Centennial Snipits* starting this month in the Forecast and discover interesting facts and neighborhood anecdotes about the Town.
- On Sunday afternoon, June 3, hop on and off an Old Town Trolley bus for the *Digging into the New Century* tour and visit some of our Town's most interesting backyard oases, environmentally sustainable gardens and outdoor living spaces. Stop by the Town Hall and enjoy stories, photographs and recollections of our Town. Children's activities, anniversary cookies and refreshments will be followed by a reception with a centennial toast of wine with festive treats.
- At the *July 4th Parade & Picnic*, join neighbors of all ages to sing happy birthday around a *giant centennial cake*, the first piece cut by our Town's longest residing resident.

Want to know how you can help?

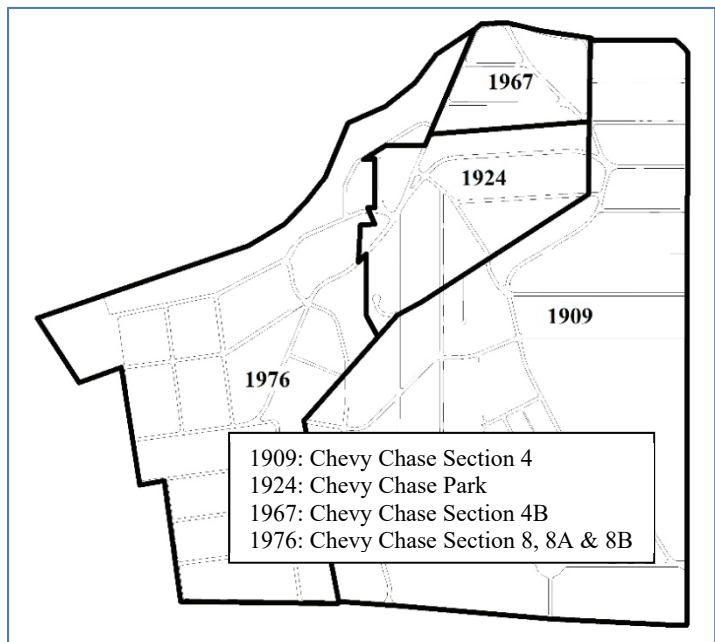

- Is there a Town garden you would like to see? Would you like to include yours in the June 3 tour?
- Do you have photographs, written stories and other mementos of life in the Town that you would like to lend as part of our Town Hall exhibit, *Chevy Chase on My Mind*?
- Are you interested in helping the Town Centennial Committee with these and other activities?

Let us know by contacting the Town Office at 301-654-7144 or [townoffice@townofchevychase.org](mailto:townoffice@townofchevychase.org).

### Centennial Snipit The Neighborhood

The Town of Chevy Chase is a self-governing municipality in Montgomery County, Maryland. The incorporated boundaries of the Town extend to East-West Highway on the north, Connecticut Avenue on the east, Bradley Lane on the south and one block east of Wisconsin Avenue on the west.

Today, there are about 1,035 homes and approximately 3,000 residents in the Town. It took 67 years to finalize the boundaries. Want to learn how it happened? See the map at right, or you can access the Town's history book *The Town of Chevy Chase: Past and Present* from the homepage of the Town website and select the "Town Government" chapter.

*This map indicates the dates when neighborhoods officially became part of the Town. The Village of Chevy Chase, Section 4, was incorporated in 1918. In 1983, its name was officially changed to the Town of Chevy Chase.*

# TRASH & TREASURES

---

The Town's spring Trash and Treasures is scheduled for the weekend of [April 21 & 22](#). The Town offers this bulk trash pickup so that residents can dispose of items that are no longer usable, such as appliances (doors must be removed for safety), furniture, rolled rugs, mattresses, games and bikes. If the items are usable, we encourage you to review the list of [Alternatives to Trash and Treasures](#) (see reverse). We have tried to give you a variety of options.

## GUIDELINES

- > Please remember to bag, box or contain all of your discards.
- > Please do not put items on the curb before Friday afternoon, April 20.
- > The following items will not be picked up:
  - NO construction debris
  - NO parts of junked automobiles (engines, transmissions), boats or trailers
  - NO loose glass of any kind
  - NO firewood or fencing of any kind
  - NO paint cans
  - NO flammable or hazardous liquids or solids
  - NO recyclable items, such as newspapers, mixed paper or cardboard, landscape pots, old books and magazines, large plastic bins - please recycle!
  - NO shrubbery cuttings, yard clippings, leaves or grass – recycle with yard trash!

If you have questions about how to discard any of these items, please call the Town Office at [301-654-7144](#). We will be happy to help you arrange a special pick-up for items that are not included in Trash and Treasures. There is a charge for a special pickup.

**PICK-UP SCHEDULE:** At 7 a.m., [Monday, April 23](#), a crew will begin clearing feeder streets to Chevy Chase Elementary School. During non-rush hours, the peripheral streets will be cleared. After these priority streets are cleared, the truck will proceed according to a pre-arranged schedule. Once a street has been cleared, the contractor will *not* return to that street. Residents who discard items after the street has been cleared will have to arrange for a special pick-up.
